

Did you know St. Cecilia School offers affordable tuition rates by charging less than the actual cost of education and makes up for it with Parent Association funds?

The majority of these Parent Association funds are raised at our annual auction; and our community has consistently come through each year with donations, sponsorships, and volunteer support to reach our fundraising goals.

Now's the time! We need **ALL HANDS ON DECK** to ensure this year's auction meets our goal of \$100K and our efforts start together this summer!
