

Dear fellow community member,

How would you like to help make a better future for local youth? The St. Cecilia Auction committee is now accepting donations to help do just that and we'd love your support.

Now more than ever, we're yearning for strong, respectful, caring individuals to help build our communities. And, for over 65 years, it has been St. Cecilia School's mission to prepare our students to be responsible, self-aware citizens and lifelong learners.

With the funds raised at our auction, we are able to provide the tools our educators and students need to thrive while making a difference.

Your donation will not only directly impact the education of our PK-8th grade students, but also support our ongoing community outreach programs:

- Student Scholarships
- Service-Focused Middle School Electives
- Monthly Class Service Projects (NW Children's Outreach, Oregon Food Bank, Elsie Stuhr Center, American Red Cross)

As an added bonus, your tax-deductible financial support or gifts will give you and your business exposure to thousands of parish and school families.

There are other advertising and marketing opportunities available for sponsorship support and we would be happy to work with you to develop the program or donation that best fits with your organization. Please contact this year's auction chair: Amy Clancy, 971-275-5715, or e-mail us at [auction@stceciliaschool.us](mailto:auction@stceciliaschool.us) with any questions.

Thank you for helping shape our future leaders. We would appreciate receiving a response by February 15, 2019.

Sincerely,

Your St. Cecilia School Auction Representative

*Our 2019 auction will be held on Saturday, March 16, 2019, please visit our website at [www.stceciliaschool.us](http://www.stceciliaschool.us) for more information regarding the program.*
